

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 88

January 13, 2021

SUMMARY OF BILL: Revises the stipulations private entities must comply with to conduct driver education courses and community education courses.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to Tenn. Code Ann. § 55-10-301(b)(1)(C) and Tenn. Code Ann. § 55-10-804(a)(3), for a private entity to conduct driver education courses and community education courses, it is required to fulfill multiple conditions, as laid out in Tenn. Code Ann. § 40-35-302(g).
- Per the language of this legislation, such requirements would be reduced to the following: for the private entity to be licensed by the Secretary of State, registered with the Department of Revenue for all applicable taxes, and conduct at least two courses per calendar year, whether in person or online.
- It is not expected that the reduction of regulations will significantly change the number of qualifying businesses; therefore, there will not be a significant change to state revenue or expenditures as a result of this legislation.
